Document Version:

Publisher's PDF, also known as Version of record

Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

Prevention of Childhood Anxiety Disorders

Is screening and offering a child- or parent-focused intervention (cost)effective?

1. Internaliserende stoornissen storen de omgeving van het kind minder dan externaliserende stoornissen (algemeen)
2. Stoornissen die de omgeving minder storen, krijgen minder aandacht van ouders, leerkrachten en hulpverleners (algemeen)
3. De omgeving vormt reeds de angst van het ongeboren kind (hoofdstuk 2)
4. Een vragenlijst legt binnen 10 minuten angsten van het kind bloot die ouders jarenlang over het hoofd zagen (hoofdstuk 3)
5. Aandacht is ook een vorm van preventie (hoofdstuk 4)
6. Zolang de relatie tussen het korte termijn effect van preventie van angststoornissen bij kinderen en het effect op lange termijn niet helder is, kan de kosteneffectiviteit van preventie niet worden vastgesteld. (hoofdstuk 5 + 6)
7. Kennis geeft je het inzicht dat je kennis beperkt is (algemeen)
8. Preventie van angststoornissen: begin niet aan een promotie traject (algemeen)
